Join us on an “ones in a life time” adventure into the incredible wastelands of the Icelandic highlands. On this tour we take you far into the centre of Iceland, to enormous Askja caldera and its lunar-like landscape. We will take you to scenes where NASA trained their astronauts for the Apollo program, where Icelandic outlaws hid and lived during the middle ages including the most famous one Fjalla-Eyvindur, all taking part in Iceland’s largest lava field Ódáðahraun. We will follow the main road from Akureyri through Mývatn (pick up possible on the way) and a little further until we reach the Old Crater Hrossaborgir, here we will turn into the highlands and follow a rough Off-Road trail which leads us through a series of sceneries including rough lava fields, soft sand dunes, wild and calm rivers, blooming highland oasis’s, great canyons, majestic mountains, volcanic craters and hot & cold lakes.

# BATHS AND NATURE IN LAUGARFELL

Super Jeep Day Tour  
1 Day Tour · 8 Hours

In this tour we will take you for an exciting off road journey. First we will stop by the beautiful waterfall Goðafoss. From there we will drive in the Bárðardalur valley and stop at Aldeyjarfoss, surrounded by majestic basalt columns. Next we will head in to the rough highland and take the old route over Sprengisandur. Laugafell is located only 15 km from Iceland’s second largest glacier Hofsjökull, and in Europe’s largest dessert Sprengisandur. Once there you can take a bath in a natural pool in the middle of nowhere where the hot water comes right up from the ground. After that we will drive up on a nearby mountain Laugafell (892m above sea level) and we return to Akureyri.

On this tour we will take you for a journey to some of the most beautiful waterfalls in Northern Iceland. The first one being Goðafoss (Waterfall of the gods). From there we will drive up the Bárðardalur valley towards the waste highlands where we will have to do a little Off-Road trailing to reach the majestic waterfall Aldeyjarfoss. The concertinaed black basalt columns provide a stark contrast against the thrashing white foam, making it one of Iceland’s most photographic gems. Then, Hrafnabjargafoss. This waterfall is not known by many and very few tourists ever see it. The falls spreads out over a series of cliffs and at one place it falls into a closed rock bowl. After testing our skills in the harsh highlands we make a little twist and take you on a Off-Road expedition. Return back to Akureyri.

**GENERAL ADVICE:** Take a raincoat, wind-proof jacket, appropriate footwear and bathing clothes with you (swim shorts/bikini and a towel) water bottle or other drink, snack or lunch, sunglasses, camera and... good mood!
