

Self & Drive 2021

Diamond Iceland Circuit | Complete Ring Around Iceland)

From Keflavík/Reykjavík | 13 days 12 nights

Day 1 | Departure from Keflavík airport – Reykjavík

Welcome to the airport. Delivery of the car, folder, brochures and map with the underlined circuit.

Day 2 | Reykjavík – Reykjavík

Driving through the Golden Circle - geyser park, Gullfoss waterfall and Thingvellir national park.

Day 3 | Reykjavík – Stykkishólmur

Trip via Hvalfjörður to the farming region of Borgarfjörður. We pass by the Eldborg crater towards the Snæfellsnes peninsula, with the mysterious glacier of Snæfellsjökull. Here, Jules Verne idealised the journey to the centre of the Earth.

Day 4 | Stykkishólmur – Isafjörður

Cross Breydarfjörður by ferry to the Látrabjarg cliffs, the biggest bird sanctuary. Driving in the western fjords passing by Dynjandi waterfalls to Isafjörður.

Day 5 | Isafjörður – Blönduós

Trip through the jagged and uninhabited western fjords to Hunaflooi.

Day 6 | Blönduós – Akureyri

Trip to Skagafjörður and Siglufjörður. Then, continue until you reach the most beautiful Icelandic city - Akureyri.

Day 7 | Akureyri – Mývatn (region)

Start with a small city tour in the capital of the north of Iceland. Then, make the trip to Mývatn lake to explore the wonders of the surrounding area, not forgetting the pseudocraters and the Martian landscape with fumaroles and mud and lava pots. On the way, stop by the Godafoss waterfall. Overnight stay in the Mývatn region.

Day 8 | Mývatn (region) – Egilsstaðir

Drive north to Husavík, capital of whale watching. Then, continue to the Tjörnes peninsula to Asbyrgi Canyon. Going through the Jökulsárgljúfur park, take a look at the biggest waterfall in Europe – Detifoss. Overnight stay in the Egilsstaðir.

Day 9 | Egilsstaðir – Höfn

Trip through the eastern fjords, with the mountains sloping into the ocean. We pass by the various fishing villages and bird sanctuaries featuring birds like geese and swans. Overnight stay in the Höfn region.

Day 10 | Höfn – Vík

Drive to the Jökulsárlón glacier lagoon, whose colourful icebergs make it look unreal. Go through the southern part of Vatnajökull, the biggest glacier in Europe. Visit the Skaftafell and end the day going through the Eldhraun lava fields.

Day 11 | Vík – Reykjavík

Explore the black sand beaches, the Dyrhólaey natural reserve and the Skogafoss and Seljalandsfoss waterfalls. Then, after crossing the lava fields, take a bath in the Blue Lagoon.
