The Fantastic Waterfalls super jeep day tour

From Akureyri | 1 day tour | Approx. 8 h | All year around

On this tour we will take you for a journey to some of the most beautiful waterfalls in Northern Iceland. The first one being Goðafoss (Waterfall of the gods). From there we will drive up the Bárðardalur valley towards the waste highlands where we will have to do a little Off-Road trailing to reach the majestic waterfall Aldeyjarfoss. The concertinaed black basalt columns provide a stark contrast against the thrashing white foam, making it one of Iceland's most photographic gems. Then, Hrafnabjargafoss. This waterfall is not known by many and very few tourists ever see it. The falls spreads out over a series of cliffs and at one place it falls into a closed rock bowl. After testing our skills in the harsh highlands we take you on a Off-Road expedition. Return back to Akureyri.
